- _____
- _____
- _____

9. Is there any other relevant product information you would like to provide us with such as photos, specifications, brochures, etc? If yes please attach and label accordingly.

- _____
- _____
- _____

Please note the additional requirements for product submittals:

- Attachments must be a PDF and the filename **must start with the question number** the attachment is for. For example, a brochure must be named “9-Brochure.pdf” and third-party testing must be named “6. Third Party Testing.pdf”.
- Image files (such as JPG) are not allowed. If you have pictures, please submit as a **named** PDF with comments in the file explaining the picture.
- Only one product may be submitted per email. If submitting more than one product, send a separate email for each product.
- Do not include links in this email to any website. We will not open them.
