This document constitutes approval of an inspection charge for the above listed Construction Company for inspections requested by the above listed CONTRACTOR and performed by Clark County Water Reclamation District. The minimum is \$150 per hour for each hour or portion thereof for inspection services required on the above stated job. Inspection time charged shall include additional time for travel to and from the District's main office located at 5857 East Flamingo Road. In outlying areas not located at 5857 East Flamingo Road, the CONTRACTOR shall be charged for travel time to and from 5857 East Flamingo Road, regardless if the CONTRACTOR is working normal working hours or outside the normal working hours of 6:30 AM to 3:00 PM Inspection time charged shall also include the generation of Inspectors' Daily Field Reports. In addition to the inspection charges noted in this section, an additional \$150 per hour, for each operator, shall be charge to the contractor to have up to two (2) Clark County Water Reclamation District Operators in attendance for all construction activities conducted outside the normal working hours. Call outs after hours shall be charged a minimum of 3 hours overtime.
